

Schoolcraft College General Education and Michigan Transfer Agreement Requirements

General Education

General education requirements address the knowledge, intellectual concepts, and attitudes associated with being an educated and well-rounded person. These courses are a required part of any associate degree or bachelor's degree offered at any college or university. Students must take the minimum courses that meet Schoolcraft's General Education requirements. In addition to those courses that are identified as general education, Schoolcraft College also offers numerous courses in dozens of subject areas, including liberal arts, sciences, and specific occupational areas. As a part of a quality initiative, Schoolcraft's liberal arts courses are used to assess students' general education preparation.

Courses and Credentials at Schoolcraft College

There are two primary types of courses that may be used towards fulfilling credentials such as certificate, associate, or bachelor's degrees at Schoolcraft College (SC). The nature, goals, and use of each course determines the type of course and how it applies toward each credential at Schoolcraft College or at transfer institutions. The course description in the catalog will indicate course type. The two types of courses include occupational and liberal arts courses.

1. Occupational Courses – Occupational courses have a direct career relationship and focus on developing necessary knowledge and skills to enter the work force within the chosen field of study-e.g., ACCT 103, EMT 115, MFG 211, and WELD 120. Courses may or may not transfer to another institution. The course description in the catalog will indicate if the course is an occupational course. No SC occupational course may be used toward SC General Education (SCGE) or to meet the requirements for Michigan Transfer Agreement (MTA).
2. Liberal Arts Courses – Liberal Arts courses provide general knowledge and theory in the English communication, humanities, natural sciences, mathematics, and social sciences areas. Liberal Arts courses may fall into three categories:
 - a. Applied Liberal Arts – courses that are focused on building particular skills through the practice and application of talents or concepts-e.g., ART 248, ENG 205, CAB 102, THEA 204, MUSIC 114, COLLS 105. Applied Liberal Arts courses typically do not transfer to other institutions. A subset of these courses may be used toward meeting the requirements for SCGE. The course description in the catalog will indicate if the course is an applied liberal arts course.
 - b. Liberal Arts used for Schoolcraft College General Education (SCGE) – courses that are theory-based or application-based which offer a wide distribution of experiences to students across multiple disciplines-e.g., ENG 100, PSYCH 153_M, HIST 138_M, MATH 106. These courses may or may not transfer to another institution. The Liberal Arts courses that do not transfer are typically applied in nature and are indicated in the course description. -e.g., MATH 106. The Liberal Arts courses that are intended to transfer are typically theory-based and are denoted in this document with a subscript _M-e.g., PSYCH 153_M –see category C.

c. Liberal Arts Courses used for Transfer – courses which are theory-based and offer a wide distribution of experiences to students across multiple disciplines-e.g., PSYCH 153_M, BIOL 101_M, ECON 201_M, ART 120_M, MATH 111_M. These courses are a sub-set of the Liberal Arts used for SCGE which meet both SCGE and the requirements for the Michigan Transfer Agreement (MTA). The MTA identified courses that are intended to meet the general education requirements at transfer institutions are denoted on this document with a subscript _M-e.g., MATH 111_M. The course description in the catalog will indicate if the course fulfills the MTA requirements. Additional information about the MTA requirements may be found at <https://www.mittransfer.org/michigan-transfer-agreement>.

Key

Credentials – a documentation of satisfactory completion of courses that result in a nationally recognized acknowledgement of learning and skills. Schoolcraft College offers skills certificate, certificate, associate, and bachelor's degree credentials.

Liberal Arts Courses Fulfilling Schoolcraft College General Education and/or Michigan Transfer Agreement (MTA) Requirements

Liberal Arts courses will typically transfer to another institution. They provide general knowledge and theory in English communication, humanities, natural sciences, mathematics, and social sciences. Transferability of courses should be discussed with your academic advisor and may be dependent on the receiving institution. Review the list below of specific disciplines and course numbers within each distribution area that meet the requirements for Schoolcraft General Education (SCGE) and the Michigan Transfer Agreement (MTA). Additional information may be found online at <https://catalog.schoolcraft.edu/>.
