MAMMOGRAPHY POST ASSOCIATE CERTIFICATE APPLICATION CHECKLIST

Prior to Program Admissions

The Mammography Program requires confirmation of your prior credential. Below are the steps to complete this process prior to course registration. To be admitted to the program and begin your coursework, you must complete the following:

First steps:

- ___ Apply to Schoolcraft College
- ___ Send official transcripts (if applicable)
- ___ Contact the Health Professions Administrative Office at HealthProfessions@schoolcraft.edu to make an appointment with the Clinical Coordinator.

Complete the following before course registration:

- ___ Confirm your Radiologic Technologist (ARRT) certification and standing with the Clinical Coordinator.

It is not necessary to hold an associate degree.

Before registering for MAMM 270:

- ___ Complete MAMM 210 with 3.0+
- ___ Complete MAMM 220 with 3.0+
- ___ Obtain a permit to register for MAMM 270 from the Health Professions Office at HealthProfessions@schoolcraft.edu.

Complete your coursework:

- ___ The post-associate certificate is awarded upon successful completion of a minimum of 9 credits.

Upon completion of the program, students are eligible to take the ARRT post-primary certification examination in mammography. This adds the Mammography credential (M) to their ARRT certification.

Before obtaining a permit for MAMM 270, students will need to complete a background check, physical exam, basic life support course certification, and drug screening. Students are also required to have certain vaccinations for clinical placement.
