

BIOMEDICAL ENGINEERING TECHNOLOGY APPLICATION CHECKLIST

Prior to Program Admission

The Biomedical Engineering Technology AAS Degree requires an application. This program requires students to complete a specific list of requirements before being officially admitted. Students are listed in a pre-program code while the application requirements are being met. The full program start date and implementation of program code may be dependent on space availability. To be admitted to the program, the student must complete the following:

First steps:

- Apply to Schoolcraft College
- Send official transcripts (if applicable)
- Meet with an Academic Advisor

Complete the following before applying:

- BIOL 105 with a 2.5+
- ELECT 131
- ELECT 137
- ELECT 138
- ELECT 139
- CIS 171
- HIT 100
- CNT 115
- CNT 173

Time Limits: All pre-requisites except BIOL 105 must be completed within the last 5 years. If older than 5 years, students will be required to meet with department for review.

Achieve:

- Cumulative GPA of 2.5+

Courses required to graduate but not needed to apply:

- BMET program elective
- ENG 101
- ENG 102 **OR** ENG 116
- Humanities (COMA 103 recommended)
- MATH 102 **OR** MATH 113 **OR** higher
- Social Science (PSYCH 153 recommended)

Finalize your admission:

- Meet with an Academic Advisor to finalize your acceptance into the Biomedical Engineering Technology AAS degree.

This program has two internships that may require:

- Physical exams/drug screens
- Reference/Background checks
- Immunization records
