

## COMPUTED TOMOGRAPHY POST ASSOCIATE CERTIFICATE APPLICATION CHECKLIST

### **Prior to Program Admission**

The Computed Tomography Program requires confirmation of your prior credential. Below are the steps to complete this process prior to course registration. To be admitted to the program and begin your coursework you must complete the following:

#### **First steps:**

- \_\_\_\_\_ Apply to Schoolcraft College
- \_\_\_\_\_ Send official transcripts (if applicable)
- \_\_\_\_\_ Contact the Health Professions Administrative Office at [HealthProfessions@schoolcraft.edu](mailto:HealthProfessions@schoolcraft.edu) to make an appointment with the Clinical Coordinator.

#### **Complete the following before course registration:**

- \_\_\_\_\_ Meet with the Clinical Coordinator to confirm your certification and standing as a registered Radiologic Technologist (ARRT), Radiation Therapist (ARRT), or Nuclear Medicine Technologist (ARRT or NMTCB).  
*It is not necessary to hold an associate degree.*

#### **Before registering for CTMI 270:**

- \_\_\_\_\_ Obtain a permit to register for CTMI 270 from the Health Professions Office at [HealthProfessions@schoolcraft.edu](mailto:HealthProfessions@schoolcraft.edu).

#### **Complete your coursework:**

- \_\_\_\_\_ The post-associate certificate is awarded upon successful completion of a minimum of 16 credits.

Upon completion of the program, students are eligible to take the ARRT post-primary certification examination in computed tomography. This adds the Computed Tomography (CT) credential to their ARRT certification.

Before obtaining a permit for CTMI 270, students will need to complete a background check, physical exam, basic life support course certification, and drug screening. Students are also required to have certain vaccinations for clinical placement.
