

## MAMMOGRAPHY POST ASSOCIATE CERTIFICATE APPLICATION CHECKLIST

### **Prior to Program Admission**

The Mammography Program requires confirmation of your prior credential. Below are the steps to complete this process prior to course registration. To be admitted to the program and begin your coursework, you must complete the following:

#### **First steps:**

- Apply to Schoolcraft College
- Send official transcripts (if applicable)
- Contact the Health Professions Administrative Office at [HealthProfessions@schoolcraft.edu](mailto:HealthProfessions@schoolcraft.edu) to make an appointment with the Clinical Coordinator.

#### **Complete the following before course registration:**

- Confirm your Radiologic Technologist (ARRT) certification and standing with the Clinical Coordinator.  
*It is not necessary to hold an associate degree.*

#### **Before registering for MAMM 270:**

- Complete MAMM 210 with 3.0+
- Complete MAMM 220 with 3.0+
- Obtain a permit to register for MAMM 270 from the Health Professions Office at [HealthProfessions@schoolcraft.edu](mailto:HealthProfessions@schoolcraft.edu).

#### **Complete your coursework:**

- The post-associate certificate is awarded upon successful completion of a minimum of 9 credits.

Upon completion of the program, students are eligible to take the ARRT post-primary certification examination in mammography. This adds the Mammography credential (M) to their ARRT certification.

Before obtaining a permit for MAMM 270, students will need to complete a background check, physical exam, basic life support course certification, and drug screening. Students are also required to have certain vaccinations for clinical placement.
